IMMINENT SONIC DESTRUCTION: 'Monster' Video Released - Dec. 10, 2012

"Monster", the new videom from **IMMINENT SONIC DESTRUCTION**, can be seen below. The song comes off the band's debut album, "**Recurring Themes**", which was released earlier this year via the band's web site, iTunes, Amazon, CD Baby, Lasers Edge, Dearborn Music and now through **Nightmare Records**. The nine-song CD was produced by **Roy Z (HALFORD, BRUCE DICKINSON)** and showcases the group's vocal harmonies soaring over original progressive-metal riffing, melodic compositions and the rhythms of ex-**TILES** drummer **Pat DeLeon**.

IMMINENT SONIC DESTRUCTION is the brainchild of Detroit-based guitarist, vocalist and metal innovator **Tony Piccoli**. Influenced by the raw power of bands such as **STRAPPING YOUNG LAD**, **MESHUGGAH** and **PANTERA**, as well as the disciplined complexities of progressive groups like **DREAM THEATER** and **GENESIS**, **Piccoli** set out to change the face of metal. His blend of crushing guitars, ethereal overtones, a combination of vocal styles and wonderful melody are wrapped in subtly complex time signatures, skull-crushing guitar riffs, and melodic hooks so memorable that you will need surgery to get these songs out of your head.

IMMINENT SONIC DESTRUCTION is:

- Tony Piccoli** - Lead Vocals, Guitars
- Pat DeLeon** - Drums, Percussion
- Scott Thompson** - Guitars, Vocals
- Pete Hopersberger** - Keyboards, Vocals
- Bryan Paxton** - Bass, Vocals

FEATURES THE CLASSIC TRACKS: "LOVE IN AN ELEVATOR", "WALK THIS WAY", "SWEET EMOTION", AND MANY MORE!
